From the desk of 
... General Manager and the Leadership Team

Welcome to July’s Tattler. In this edition I would like to focus on Beauaraba Living’s role within the community of Pittsworth and indeed the wider region. The Board and the Leadership Team believe it is an important part of who we are and what we do to be actively involved as part of the community by providing support, information and an understanding empathetic ear to the elderly in our community as well as their families.

Sourcing aged care services can be very confusing for the families let alone the elderly themselves. We believe we have a responsibility to make this process as easy as possible not just for those seeking care in our home but for those who are looking to access other types of care and services. Families also need someone to help them through the concerns of watching their loved ones grow old and provide some understanding of the ageing process.

As part of our Montessori for Dementia program we will be offering forums and information sessions for community members. Kim Solomon our Montessori Project Leader has provided some more information inside this edition. Look out for forum dates in the near future.

We also see it as part of our mission to engage the younger members of our community, encouraging them to see ageing as an integral part of life. Regular visits from groups of school children provide opportunities for our residents to interact, hopefully inspiring another generation to be involved in the essential need to care for our elderly.

It is also vital that organisations such as ours encourage another generation of volunteers. Our volunteers play such an important role in the lives of our residents and I’m sure that our volunteers gain a tremendous satisfaction in the support they offer, the work they do and the relationships they develop. If you are considering volunteering in the community, please come and talk with us.

On another note, as I write this article we are waiting for the final results of the Federal election which are “still too close to call”. Regardless of the outcome, be assured that our industry body and your aged care representatives will be working diligently to ensure the Government is accountable for providing a workable model to care for the ever increasing older population. Delivery of aged care by organisations such as ours is an ever increasing challenge and it is important for the Government to develop policy that will ensure stability for the industry.

As always we continue to strive to provide the best care and services we possibly can.

Stay engaged,
Your Leadership Team.... Alex, Janet, Kate, Adrienne & Kim.

The recent rain has been very welcome, and we hope for follow up rain for our farming friends. Well, Winter is most definitely here!!! As I write this, this morning’s real feel was minus 4 – way too cold for this old chook!

Again, we’ve had a busy few months. During May, we celebrated National Volunteers Week with a Volunteers Morning Tea. We are very fortunate to have such an incredible group of hard working Volunteers, who support us in so many different ways. Thankyou to you all for everything that you do.

In June, Cater Care hosted ‘British’ Themed Event. Care Recipients were served, fish & chips wrapped in butchers paper, with a side dish of mixed vegetables. Most people enjoyed eating the fish & chips straight out of the paper. June also saw the first two games of State Of Origin, with the usual rivalry among the staff, wearing their favourite team colours. The Final will be on the 13th July.

On the 23rd we were treated to a concert by students from the Varsity College, on the Gold Coast. What a wonderful group of young musicians they were! Not only did they put on a morning concert, but they also played in the main Dining Rooms during lunch.

We also had our largest group of Care Recipients heading off to Morning Melodies where they enjoyed The Beggars who played homage to the great vocal groups of Peter Paul and Mary, The Bee Gees, The Mamas and the Papas, The Chordettes and many more. A wonderful morning enjoyed by all!!

In July, Cater Care are hosting a Major Theme Event ‘Happy Days’, so it’s time to scrounge through your cupboards to find a suitable outfit.

Stay well, and engaged,

Trish and the Lifestyle Team.

Anyway a big shout out to these two wonderful volunteers who we luv to say g'day too whenever they call in and most importantly thank you for your handy work.

Take a look…. Just some of their creations ………

*Thank you …thank you... thank you... thankyou......*
Beauaraba Living Auxiliary—Op Shop Happenings

Our many volunteers have been working hard fine tuning the routine and space at the Op-Shop. Extra shelving and clothes racks sourced from Ross Thomas has made a great difference in presentation and order of the store as seen here.

Working in the Opportunity Shop are—

Denise Aulfrey, Win Saal, Jeanette Krinke & Marcia Hanlon.

The Beauaraba Living Auxiliary are always looking for any interested community members wanting to volunteer to drop up to the shop and see them. Our Roster coordinator would be happy to add your name to either a morning, afternoon or day.

Remembering that this wonderful outlet provides an important part in the overall picture of Beauaraba Living Aged Care Home.

Volunteering at the shop offers another way of helping out, being needed and valued.

The Op Shop now continues to accept furniture, and this is proving very popular as we have a roller door at the rear of the shop to make drop off and pick ups easier.

Beauaraba Living Auxiliary Op Shop has become very busy, popular and a huge thankyou to the community of Pittsworth and surrounds for your support.
Beauaraba Living Auxiliary—Care Pittsworth Happenings

Care Pittsworth is another group of hard-working souls coming and going from Beauaraba living. This group also comes under the Beauaraba Living Auxiliary, and have assisted with funds toward our palliative care programme. To date they have provided funds which cover refurbishments, furniture, room fit out and assisting with development of a courtyard which will be an invaluable part of our palliative program.

These photos show some of our progress...........

Donations to our palliative care program are most welcome and details are available through our Admin department or phone 4619 8422.

Here we have Judy Krieg (on behalf of BLA-Care Pittsworth) receiving a donation from staff member Adrienne Macfarlane. These funds of $115 were raised by the staff of Beauaraba Living, who held a palliative care staff morning tea on the 26th May.

Bravo and thankyou!!!!!

**A little bit about Anne Kelly,** she is a Montessorian Dementia Consultant who has worked extensively in dementia care both residential and community for the past 30 years. She is currently the Managing Director of Montessori Ageing Support Services and is considered an Australian leader in Montessori methods for ageing care. In 2009 she was awarded a Churchill Fellowship to study Montessori methods for Dementia Care which enabled her to work alongside world experts in this area including, Dr Cameron Camp, Professor Michelle Bourgeois and Gail Elliott, author of Montessori Methods for Dementia, a textbook that uses examples of Anne’s work in Australia and for which Anne wrote a foreword. Since her return from overseas Anne has been sharing the magic of Montessori Methods for Dementia around the country. Workshop participants may receive International certification with International Montessori for Elders if they wish by successful completion of certification assessment tasks.

**These workshops are being offered to anyone interested in the Darling Downs and Lockyer Valley areas.**

Montessori Methods can be implemented by a range of people including, nurses, support workers, physiotherapists, occupational therapists, speech therapists, paid carers, family members, volunteers, and community support workers.
The Montessori Method for Dementia 2 day workshop - is an innovative approach to dementia care that can be adopted for individuals, for groups and as a philosophy of care. The goal of Montessori is to create persons who are as independent as possible, able to make choices and who are treated with respect and dignity. Montessori enhances quality of life. Activities must be meaningful to the person, giving them opportunity to enjoy an enriched life.

Meaningful Activities – 1 day Workshop - a fun interactive one-day workshop that includes: Current practice and activities in aged care; how dementia impacts on activity programs; and goals and objectives of programs. Participants will learn the benefits of and how to use: Music, Reminiscence, Reality Orientation, Sensory Therapy, Art and Interactive Wall Spaces.

These opportunities are being made available through Beauaraba Livings “Living Life Program” with the support of the Darling Downs and West Moreton Primary Health Network Innovation Project.

### Catering

Catering: Teapots—cold issues Toast—issues very lightly done and cold. Depending on where the Care Recipients sit in the Dinning Room depends on the heat of the meal. It has been looked at by the Care Recipients and the Care Recipients who are served first receive a hot meal and those who are served later receive a cold meal, i.e. cold porridge in the Morning, vegetables at Dinner Time and toasted sandwiches at Tea Time. The Lodge Care Recipients are not happy with the time it takes to get their meals especially in the evenings. The staff ask everyone to go to the Dinning Room for Tea and then they have to wait. The Evening Meal they often run out of a portion of what’s on offer i.e. On offer is Spaghetti and Mushrooms, but the last tables only received Spaghetti when they asked the staff where the Mushroom are and they stated that they have run out, on another occasion they ran out of bacon. Review ASAP. The Care Recipients would like to have a homemade Pea and Ham Soup at least once a fortnight.

### Happy Hour

All happy with the new location in Kincora and the layout. Need to purchase new Karaoke DVD’s with the words for a sing a long.

### Lodge TV

Still not working, it goes a little white and stops. Lodge a maintenance request.

### Bridge

Still need to resource an instruction booklet. Care recipients who like to learn. Enid W, Corrie, Heather, Graham C, Col, Myra, Daisy P and Gwen. **Any Volunteers!!!!**

### Bus Trips

The Care Recipients would like more outings and would like to go shopping in Pittsworth for personal items, fortnightly.

### Activity Planner

Care Recipients are happy the planner. Everyone is happy with Saturdays “Hour with VIV” and Col has encouraged everyone to come along

### Thank You

From Olive to the Men’s Group for putting together the new Bingo Table it works a treat.

### Leadership Team

Alex. Not a lot to mention, Tax time is here so the girls in the office are busy with that. Care recipients are not happy with the Gopher parking. How do staff know when a Care Recipients has arrived to get assistance or what do they do when it is raining. Alex will look into it. Beauaraba Living’s new project is coming along well and training has begun.

We would like to remind all care recipients and their families that any items of clothing brought into the facility need to be named with appropriate labels. We currently have a considerable number of unclaimed, unlabelled clothing items in the laundry. If you think you or your loved one may be missing items, please contact the staff who can assist you by checking with the laundry staff or phone the facility on 4619 8422.

In addition, current lost property will be displayed in the Pool Room at the Lodge from Monday 11th July to Sunday 17th July 2016. The staff in the laundry make every effort to reunite lost items with their owners but are not always successful. Our policy is that any unclaimed items will be recycled through Beauaraba Living’s Op Shop after a three month period.

**Ongoing name changes within Beauaraba Living Home**  
The Leadership Team have been working with staff and care recipients on the continuing process and look for completion at the end of this year. Updates will continue in further editions of the Tattler.

**EXISTING and NEW names are—**

- A / Athol
- B / Broxburn
- C / Kincora
- D / Felton
- E / Irongate + Courtyard / Pampas
- W / Norwin + Courtyard / Brookstead
- Lodge / Lodge
- Maintenance Area – Mt Tyson
- Front Main Entrance / Living Garden

Again we thank you all for your patience while this process takes place.
